Welcome to the neighborhood! Please help us keep our records updated. Complete the name and address information above. Also, please provide an email address. Whenever possible, the HOA prefers to send out email announcements and notices to its members instead of distributing printed paper copies. They are faster, easier and cheaper. Those who choose to not provide an email address should review the “announcements” page on the HOA web-site periodically to receive their HOA notices. Alternatively, they should notify the HOA about their preference to receive paper copies of HOA mailings (by writing to the address provided on this letter)
